From Murdoch Books : Wok it before purchasing it in order to gage whether or not it would be worth my time, and all praised Wok it:

"Learn how to make the most of your oven, wok, spice cabinet and grill with this series of cookbooks featuring easy and reliable recipes. The popular techniques-based It series is packed with attractive, easy recipes for the home cook. Step-by-step photography and detailed information on cooking techniques, utensils and ingredients make this series a kitchen library must-have. This new release of the series features fresh contemporary covers in the 'Original Chunky'

format that will inspire a new generation of home cooks."
