providing cookbooks with easy-to-follow recipes packed with tons of delicious flavors. Even better, cooking with a wok is so convenient--who doesn't love one pan meals? I love Asian food and I'm always looking for simple, tasty stir fry recipes. This book delivers, and Dexter offers great food that doesn't require tons of cooking experience. I highly recommend this for those who love Asian flavors as much as I do and need a little inspiration in the kitchen. 0 of 0 people found the following review helpful. I am sure that others would like the variety but just not my taste. By switchback I ordered this book thinking it had simple common recipes.. It was not what I was looking for. I am sure that others would like the variety but just not my taste. 0 of 0 people found the following review helpful. and I'm happy to do so as it's pretty easy using a ... By LoveToRead I just tried out a couple of recipes last week and my family said they want more, and I'm happy to do so as it's pretty easy using a wok. This book has wonderful recipes and easy to follow directions. I highly recommend to those who love Asian food, and for those who love easy to prepare stir fry recipes. I give this excellent book five stars all the way!
