**Blume : Wok vegetariano (Cocina tendencias series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wok vegetariano (Cocina tendencias series):

2 of 3 people found the following review helpful. Looks good until you try to read itBy CharThe book looks perfect, until you get it and see it is printed in Spanish. The site said it was in English, so I never thought to expect anything else.

A new concept in cookbooks, this series is designed for those who want to replicate at home the trendy international cuisine they typically enjoy at restaurants. Simple and nutritious recipes put elegant dishes within the reach of the novice cook. Each book in the series contains 50 recipes.
