Judy Bastyra : Wok Works before purchasing it in order to gage whether or not it would be worth my time, and all praised Wok Works:

0 of 0 people found the following review helpful. You need to get this book...By Kindle CustomerI added this book to my order, just so I could get over the \$25 mark for free shipping and boy was i surprised when it arrived. This book is incredible, it is a large coffee table size book, filled with the most amazing (mouth watering) recipes and gorgeous photos of the preparation and completed dishes. I don't know how this book ended up in the bargain section, but if you like stir fry, you need to get this book. I have about a dozen stir fry books and this one is now my favorite...

Explore the amazing versatility of the wok in this special collection of fabulous dishes with a Far Eastern Flavor.

About the AuthorSunil Vijayakar was born in Bombay where, while creating, making and styling food in the world of

advertising and film, he set up a successful catering company. In 1993 he moved to London and has been busy working as a food stylist for advertising and publishing companies. Sunil writes for several magazines, and is the author of a number of cookbooks. Judy Bastyra is a full-time writer and a food author who has published over 20 books on cookery. She has a particular interest in Thailand and has travelled to the country many times, researching recipes and writing about the food and the culture. Judy's other published works include: *Parties for Kids* (Kingfisher); *Cooking with Dad* (Bloomsbury); *Love Bites* (Headline); *Sex: The Ultimate Lover's Guide* (Lorenz Books); and *Fun Food* (Picture Lions). Becky Johnson works as a food writer contributing to books and magazines. Extensive travel in South-east Asia has given her an incomparable knowledge of Thai cuisine. Becky's other published works include *Weight Watcher's Mediterranean Cooking*, and *Low Point Pasta* (both by Weight Watchers), *The Tofu Cookbook*, and *Fondue* (both by Lorenz Books).
