**Andrews McMeel Publishing, Roger Protz : World Beer Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised World Beer Guide:

The World Beer Guide will cover every facet of the world's favorite alcoholic drink, from the spontaneous fermentation beers and the fruit beers of Belgium to the revivalist porters and stouts of the United States and Great Britain.

About the Author Roger Protz is a leading authority on homebrewing in Great Britain.
