**Paul Gayler : World Breads: From Pain de Campagne to Paratha (Small Book of Good Taste)** before purchasing it in order to gage whether or not it would be worth my time, and all praised World Breads: From Pain de Campagne to Paratha (Small Book of Good Taste):

0 of 0 people found the following review helpful. Great bookBy CShurtzI love this book. I bought a second for my sister. It has bread recipes-some more complex and some simple. It is a short book so it does not have a lot of extra recipes that I probably wont ever look at or use. I love this book!0 of 0 people found the following review helpful. Bread! Yum!By CustomerLoved the recipes. My personal opinion is, 200 recipes from around the world would never cover it. Bread is a universal.1 of 3 people found the following review helpful. World BreadsBy Christopher PetersThis is a good survey of many different kinds of bread recipes from around the world. It gave me a lot of ideas that I either used, or followed into other cookbooks or bread recipes.

This book brings the skill of the traditional bread makers of the world within reach of everyone, and you will find that baking your own bread is unexpectedly easy. Paul Gayler has collected delicious recipes for a wide selection of

traditional breads from Europe, Asia, North Africa and North America – some familiar like Ciabatta, Classic Baguette and Naan, and some less so, such as Broa from Portugal, and some of Paul's own invention, such as Asian style Focaccia. Whatever your preference you will find a bread here to suit your meal, and also discover the enormous pleasure in serving your own homemade bread.

About the Author Paul Gayler is well known as Executive Chef at London's prestigious hotel, The Lanesborough. He has made many appearances on British TV and now has over 20 cookery books to his name, selling over 500,000 copies worldwide in ten languages. Paul has won The Guild of Food Writers' Cookery Book of the Year, has been nominated for a prestigious André Simon Award and, in 2012, was awarded an MBE as well as the top "Catey" from Caterer and Hotelkeeper -- the equivalent of an Oscar in the hotel business -- for his "outstanding contribution to the hotel industry". Paul also acts as a consultant, advising on product development to a number of food companies. He is the author of *Steak* (9781903221426) and *Burgers* (9781906417260), both published by Jacqui Small.
