My family loves pizza and we're always making the same pizzas, so this book is godsend! Will plan to try out a lot of them over the next year and make it fun with the kids...even to do a iron-chef type pizza challenge at home or at get-together.

What makes a really great pizza? Too often, we resort to bland frozen pies, or believe that truly great, gourmet pizzas are too complicated to make, which couldn't be further from the truth! An honest-to-goodness great pizza can be?and should be?so much more. This collection features the world's 60 best pizzas, putting pizza back on the menu and proving that it's a fun meal that uses all the senses. Style Deep-Dish, exciting new flavor combinations like the Fig and Prosciutto pizza, and creations, like the Thai Chicken and Moroccan pizzas, inspired by cuisines from around the world, are guaranteed to please all foodies. In *The World's 60 Best Pizzas*, discover mouthwatering pizzas, great topping ideas, and a sure-fire recipe for the best pizza dough, as well as the best ingredient combinations, new techniques, and foolproof tips and tricks, accompanied by stunning photos that will tempt your taste buds.
