**DK : World Whiskey** before purchasing it in order to gage whether or not it would be worth my time, and all praised World Whiskey:

0 of 0 people found the following review helpful. Great for beginners or for the coffee tableBy Bryson MingioneNice, well presented book. It offers basic information on the process of making styles of whiskey, while presenting information on distillers and their whiskeys (most popular/common expressions) across the world. Most importantly, it discusses how to properly enjoy and evaluate your wee dram. The book provides a lot of graphics in a handsome format.0 of 0 people found the following review helpful. A fun bookBy doctheoGood book. Missing many new scotches.0 of 0 people found the following review helpful. Five StarsBy MLHGreat reference guide for whisky lovers
