William Steele : You Likie The Sauce before purchasing it in order to gage whether or not it would be worth my time, and all praised You Likie The Sauce:

You Likie The Sauce is a collection of recipes for Asian dishes with three things in common - they are all easy to prepare, delicious to eat, and feature soy sauce as an important ingredient. Soy sauce comes in a great many varieties and colors and has been used for centuries to add a distinctive flavor to dishes. It is time for you to discover the many

ways that You Likie The Sauce...
