Gordon Rock : Your Korean Cookbook: Pure Korean Cooking Bliss (Korean Food Recipes) before purchasing it in order to gage whether or not it would be worth my time, and all praised Your Korean Cookbook: Pure Korean Cooking Bliss (Korean Food Recipes):

2 of 2 people found the following review helpful. So simple yet so amazingBy T. JohnsonThis is the book to get you started on REAL Korean style food. Irsquo;ve tried a few others, and all of the food tasted like ldquo;fast-foodrdquo;

Korean, but this is the real deal. Like in the high-end restaurants. The clam stew with the addition of anchovies was genius. But if you're going for something simpler, there's also an easy fried chicken wings recipe that anyone could follow. And any Korean food fan has got to try the spicy pork and zucchini stew. The recipes are simple, yet really follow the actual Korean style, versus mimicking it. This was such a great find, don't pass it up if you're looking for something new and interesting! 0 of 0 people found the following review helpful. So easy to follow! By Nikki Smith I have been dying to try to cook Korean food, so when I saw this, it was a MUST have. It's so unique and has already made my life so much easier. There's a simple recipe in it called Korean Seasoning Sauce, it is so easy to make and literally goes with EVERYTHING, fish, beef, soba noodles, EVERYTHING. There's even a recipe for seaweed soup that I had in a restaurant a few years back and have been looking for a recipe ever since. The recipes are so simple and so easy to follow. I can't WAIT to try the chestnut dessert, the picture looks SCRUMPTIOUS. This book was such an excellent find! 0 of 0 people found the following review helpful. great little cookbook By gardenlover Great Korean cookbook. Photos inside are not in color and it was not as plentiful as I had thought but worth the price

Korean food is known for its exciting flavor and scintillating taste across the world. Most people prefer to head out to a Korean restaurant whenever they crave the food, however, what they don't realize is that Korean food can be made at home just as easily. In addition, you can play with the ingredients to ensure that you get the best possible taste from each recipe. This Korean cookbook has been created to cater to all your Korean food needs. It contains simple and scrumptious Korean recipes that will make your guests praise your cooking skills. This cookbook contains 30 recipes that are popular worldwide. The method of cooking is simplified to allow you to navigate easily. From appetizers to main course and desserts, the Korean cookbook is your final pit stop on your way to Korean cooking bliss. Enjoy your ride to some of the best Korean dishes known to mankind!
