Toshiya Enomoto : YUBISASHI JAPANESE FOOD (The Original "POINT-AND-SPEAK" Phrasebook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised YUBISASHI JAPANESE FOOD (The Original "POINT-AND-SPEAK" Phrasebook):

0 of 0 people found the following review helpful. This book is a MUST for anyone who is planning ...By Anna Baker This book is a MUST for anyone who is planning to visit Japan. Not being able to speak Japanese was a huge disadvantage during my first trip to Japan when it came to ordering food at restaurants or being confident in going into restaurants without English menus. When I found this book a couple years later, I knew this was exactly what I (and

every other non-Japanese speaking tourist, IMO) needed. 0 of 0 people found the following review helpful. much like the first "Point and Speak Japan" book I purchased ...By A. G. FreemanI will write a more detailed review in the future, but wanted to assure fans of the Yubi shashi (point and speak) books - yes, this book is written for English speakers wanting to learn more Japanese. I may post pictures if the author or allows it. With the popularity of Japanese food, I think this book would benefit hundreds, if not thousands of traveling "foodies". This book is a classic for me, much like the first "Point and Speak Japan" book I purchased in the Narita Airport years ago. Its great to be able to buy this book (in America) and not have to go through the airport and deal with Ebola screenings from the TSA. 0 of 0 people found the following review helpful. Four StarsBy TallyCool book, but why is only half in color? Pages 1-64 are in color, 65-128 are black and white.

This handy and practical phrasebook contains more than 1,500 Japanese words and phrases with their pronunciation and English translations. All phrases are categorized by subject and an alphabetical index is on the back of the book, so you can easily find any phrases for easy reference. A lot of illustrations placed all over the pages make this book also a fun to flip through. The categories include Table Manners and How to Order, Rice, Soup, Seafood, Vegetable, Meat, Sweets and more, as well as short essays on Japanese food.

About the AuthorToshiya Enomoto was born in 1966 in Tokyo. As a "streetwise linguist," he has published several books as a freelance journalist and photographer.
