Li Ming Lee : Yummy Kawaii Bento: Preparing Adorable Meals for Adorable Kids before purchasing it in order to gage whether or not it would be worth my time, and all praised Yummy Kawaii Bento: Preparing Adorable Meals for Adorable Kids:

2 of 2 people found the following review helpful. Favorite Bento book By VEZA After going through the different types of bento books on this one is mainly good for rice type bentos but also include other ideas as well. Lots of pictures which is great because I'm more of a visual person. Tons of step by step guides. After going through many different bento books, this is a must have, beautiful display of step by step visual pictures and very good information. At the beginning it gives you a guide on materials you can purchase and it also gives you a guide on how to achieve desired colors naturally without having to use food coloring. I also like the recipe for the egg sheets, comes in very handy for little details like blankets and clothing for the rice bears. 2 of 2 people found the following review helpful. HUGE book

for little price!By ChikaneNoMikoSo many cute ways to get your kids to eat their food while having fun! I've already made my little girl panda sandwiches and homemade animal torilla chips, she loves them so much! P.S This book is HUGE. It reminded me of a Skyrim Strategy Guide! So definitely worth the money =)0 of 0 people found the following review helpful. absolutely worth the money!By Bo SunVery detailed instruction, lots of pictures, hundreds of recipes, all are very cute! If you want to start making eye-crabbing bentos for you kids, this is the book to buy!

The lunchbox reinvented: transform the boring routine of your children's packed lunches into cute, edible cartoon characters! Packing school lunches for fussy children can be a chore. Parents are bored of making the same old soggy sandwiches every day, and your picky eaters don't even show any appreciation when they return their lunchboxes with uneaten veggies and scrappy bits. What if you could entice your children to eat balanced lunches every day? Even better: how do you transform the routine of unoriginal packed lunches into a joy for yourself? Inspired by the Japanese tradition of the bento box—a home-packed meal served in a box with compartments containing different foods—Yummy Kawaii Bento reinvents the concept of the stale packed lunch. Learn to make your very own creative bento boxes and turn the law of “don't play with your food” on its head by reimagining dishes as colorful cartoon characters. Entice your children with: • Teddy bear-shaped mini pizzas• Hot “dog” buns• Scrambled egg chicks• Porky pastas• Panda bamboo salads...and many more edible critters! With more than 160 step-by-step tutorials on how to assemble balanced bento boxes, create food art, and cook individual recipes that bridge the East and the West, Yummy Kawaii Bento turns food preparation into an art and makes eating fun again for both parent and child. Soon, your children will boast to their friends about their lunches, and your spouse might even ask for his or her own takeaway lunch! Lunchtime, or dinnertime, will never be the same again. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
